Legal Disputes and Arbitration Agreement

Please Read This Following Clause Carefully — It May Significantly Affect Your Legal Rights, Including Your Right to File a Lawsuit in Court

Initial Dispute Resolution.

We are available by email at salmanaz129as@gmail.com to address any concerns you may have regarding your use of the Service. Most concerns may be quickly resolved in this manner. Both you and the Company agree to use best efforts to settle any dispute, claim, question, or disagreement directly through consultation and good faith negotiations which shall be a precondition to either party initiating a lawsuit or arbitration.

Agreement to Binding Arbitration

If we do not reach an agreed-upon solution within a period of thirty (30) days from the time informal dispute resolution is pursued pursuant to section 11(A) above, then either party may initiate binding arbitration. All claims arising out of or relating to these Terms of Service (including its formation, performance and breach), the parties' relationship with each other and/or your use of the Service shall be finally settled by binding arbitration administered on a confidential basis by the American Arbitration Association in accordance with the provisions of the Consumer Arbitration Rules of the American Arbitration Association (the "AAA"), excluding any rules or procedures governing or permitting class actions. The arbitrator, and not any federal, state or local court or agency, shall have exclusive authority to resolve all disputes arising out of or relating to the interpretation, applicability, enforceability or formation of these Terms of Service, including, but not limited to, any claim that all or any part of these Terms of Service is void or voidable. The arbitrator shall be empowered to grant whatever relief would be available in a court under law or in equity. The arbitrator's award shall be binding on the parties and may be entered as a judgment in any court of competent jurisdiction. The interpretation and enforcement of these Terms of Service shall be subject to the Federal Arbitration Act. The seat of the arbitration will be California, United States.

You and the Company each further agree that any arbitration shall be conducted in your respective individual capacities only and not as a class action or other representative action, and you and the Company each expressly waive your respective right to file a class action or seek relief on a class basis. If any court or arbitrator determines that the class action waiver set forth in this paragraph is void or unenforceable for any reason or that arbitration can proceed on a class basis, then the arbitration provision set forth above in Section 12(B) shall be deemed null and void in its entirety and the parties shall be deemed to have not agreed to arbitrate disputes.

General Terms

Non-Waiver

Our failure to exercise or enforce any right or provision of these Terms of Service shall not operate as a waiver of the applicable right or provision.

Severability

These Terms of Service operate to the fullest extent permissible by law. If any provision or part of a provision of these Terms of Service is unlawful, void, or unenforceable, that provision or part of the provision is deemed severable from these Terms of Service and shall not affect the validity and enforceability of any remaining provisions.

Assignment

You may not assign or transfer these Terms, by operation of law or otherwise, without our prior written consent. Any attempt by you to assign or transfer these Terms, without such consent, will be null and of no effect. We may freely assign or transfer these Terms without restriction. Subject to the foregoing, these Terms will bind and inure to the benefit of the parties, their successors and permitted assigns.
