

School Supplies 2025-2026

Parents & Guardians,

The annual school supply fee is **\$135 per child**, (\$10 increase from last year) and will withdraw from your FACTS account on **August 15th**. This fee purchases *the majority* of your child's school supplies. It allows teachers more flexibility in regard to choosing different student supplies in specific color/size, reduces over purchasing and storage struggles, and enhances our sanitization efforts. Supplies purchased will include "per student" materials. It also includes purchases of sanitizing wipes and gel, and disinfecting wipes. Your child will have their own designated set of school supplies in the classroom that will be replenished as needed. The fee also covers the technology fee for grades 1-8 which supports licensing and subscriptions. For PK and Kindergarten, this supply fee covers their snack fee which is typically \$30-40 per child. **The \$135 fee will be applied to your FACTS account covering the following items from your child's classroom supply list. These supplies will have *already been purchased* and placed in classrooms:**

Band-aids
Copy Paper, Cardstock, Notebook Paper
Crayons, Colored Pencils, Markers
Dry Erase Marker, Highlighters
Elmer's Glue
Hand Saniter, Wipes (cleaning and disinfecting) etc
