Refereeing soccer is a flexible and well-paying part-time job, and it is a great way to develop leadership and life skills.

Ontario Soccer offers two referee courses. You need to complete either the small sided course or the entry level course to become a registered soccer referee in Ontario. All referees who work a minimum of 10 games in our house league program are eligible to be reimbursed by the club for the cost of the course registration fee.

1. Small sided course
 - You need to be 12 years old or older before April 1, 2025, to take the course
 - It will allow you to referee small-sided games (U7- U10 level)
 - The fee for the course in Kitchener is \$110 (registration fee refunded by Kitchener SC upon successful completion of the course and refereeing a minimum of 10 house league games during the season)
 - You need to complete the online modules before attending the in-person course
2. Entry-level course
 - You need to be 14 years old or older before April 1, 2025, to take the course
 - Will allow you to referee 9 v 9 and 11 v 11 games (U11+) and be an assistant referee (AR)
 - The fee for the course in Kitchener is \$110 for the actual course and \$30 for the online self guided modules (registration fee refunded by Kitchener SC upon successful completion of the course and refereeing a minimum of 10 house league games during the season)
