

The Leafy Couture Bridepack

The planning...

Huge congratulations we are looking forward to helping you plan the wedding of your dreams. Come meet us at our workshop brimming with inspiration for your day. We usually plan for around an hour or so for your first appointment. Bring with you any ideas you may have seen, a picture of your dress, bridesmaids dresses and your scrapbook/pinterest login.

It is a good idea to bring someone with you if you want but it can be a confusing process if you have too many people with you. We will go through all your floral requirements from your bridal bouquet to your ceremony and reception plans. You will also be able to see all the vases, votives and props that will help create your vision.

Our workshop is situated at **17-19 Boroughgate, Otley, LS21 3AG.**

It is a good idea to have an idea of your floral budget before you come so that we can work to your wedding plans. You can use the price guide here to help. We do have a minimum spend of £1500 for our weddings or if you love our look but your budget won't stretch then we also have 'The Designers Choice' Packages, please see below for more details.

Within a week or so a detailed quote of your chosen arrangements will be emailed to you. We require £200 deposit to secure your date and a copy of our terms and conditions. We do not save dates without a deposit. Our bank details are:

Leafy Couture 40-35-33 A/c no 61485431

After you have secured your date should you wish we can come to your chosen venue and discuss your plans further. We may require a site visit fee for this service.

Fifty percent of the Final payment is due three months before your wedding so we will need to finalise your order before then. We then require the final balance a month before your wedding date. We will be in contact with you before this date to confirm. If you have any questions or need supplier recommendations we offer email support to help you in your planning throughout the process.

Designers Choice Package

If you're a flower lover but your time and budget won't stretch to our usual bespoke service, we have launched a Designers Choice Package. This is a wedding flowers package where you put your wedding flowers in the artistic and creative hands of the Leafy Couture Team.

All you need to do is choose your colour palette and then you will hand everything over to us. We will use our expertise to create beautiful, seasonal florals for your wedding day without any hassle of the planning on your part.

These packages are perfect for busy brides and will require flexibility as the packages do not allow for changes once the initial decisions have been made and specific flower choices cannot be guaranteed

The package includes:

- 1 Bridal Bouquet - A beautiful hand tied seasonal bouquet bound with ribbon of your choice.
- 3 Bridesmaids Bouquets - A smaller bouquet featuring tones of your choice.
- 6 Buttonholes - A beautiful bloom with detail and binding.
- 9 Table Centres - A seasonal posy in a glass vase, these could be given away as gifts.
- 1 Long and low floral arrangement - This would be perfect for your ceremony and then could be moved to your top table after the wedding.

The package costs £1000 inclusive of VAT.

We are able to offer this package as there will be no long consultation process and the package is available for collection only from our premises in Otley town centre, on the morning of your wedding.

On the day...

We will deliver your bridal flowers to you on the morning of your wedding at an agreed time, usually 3 to 4 hours before your wedding. We deliver the flowers in water so they are drinking up until you need them.

We prefer to deliver the flowers to the bride so we know you are happy and we get to see your beautiful smiling face! We do not like to leave your flowers with anyone else.

If you take your flowers out of water 20 minutes before your leave then this will ensure you do not get any water drips on your beautiful gown.

The ceremony and venue flowers will all be set up for you either on the day or the day before depending on your chosen venue. We will then return and collect all hire items the next day unless agreed otherwise.

We advise you not to take a sneak peak of the church or venue flowers set up the day before your wedding as the finishing touches are often only completed on the morning of your wedding and it will keep the overall look a lovely surprise!

To preserve your bridal bouquet and the bridesmaids bouquets after the ceremony and

photographs, ensure there are vases filled with water waiting for you at your wedding reception. They will add extra floral decoration to your reception and keep your flowers looking lovely all day.

Remember to take moments during the day to stop and take in all the wonderful splendour of your special day, you will cherish those quiet moments forever.
