**Question 1 (Celebrations - Reading):** Read the text: "Next Sunday is my brother's graduation ceremony. I am very excited. First, I must send the invitation cards to our relatives. Then, I need to buy a lot of beverages and snacks. My mother is going to bake a big chocolate cake. Finally, we will decorate the garden with colorful balloons and ribbons." List three things the person needs to do or buy for the celebration. **Answer:** 1. Send invitation cards. 2. Buy beverages and snacks. 3. Decorate the garden with balloons and ribbons.

**Question 2 (Celebrations - Reading):** "To throw a great birthday party, you should make a 'to-do' list. You need a guest list first. Then, you should choose a theme. Don't forget to order the cake two days before the party. If it is a costume party, tell your friends to wear interesting clothes." According to the text, when should you order the birthday cake? **Answer:** You should order the cake two days before the party.

**Question 3 (Dreams - Reading):** Read the predictions of a fortune teller: "In the year twenty forty-five, people will not drive cars. We will have flying taxies. There will not be any traffic jams. Also, robots will do all the housework, so people will have more free time to travel to other planets." Write two predictions about transportation from the text. **Answer:** 1. People will have flying taxies. 2. There will not be any traffic jams.

**Question 4 (Dreams - Reading):** "I think I will be a very successful doctor in the future. I will live in a big house with a garden in a quiet city. I believe I will travel around the world and see famous places. I hope I will be very happy with my family." Where does the person want to live in the future and what is their dream job? **Answer:** The person wants to live in a big house in a quiet city. Their dream job is to be a doctor.

**Question 5 (Dreams - Writing):** Write a paragraph (4-5 sentences) about your own future. What will your job be? Where will you live? Will you be famous? Use "will" or "won't". **Answer:** In the future, I believe I will be a famous computer programmer. I will live in a modern flat in Istanbul. I think I will travel to Japan to learn about new technology. I won't stay in a small town because I love big cities. I hope I will be very successful.
