Consciousness Awakening with alignment to Higher Consciousness and Super Consciousness

An intense interactive self-introspective program to decode the game of life to find answers such as:

- Who am I?
- Why did I attract certain people in my life?
- Why did I make certain decisions in the past?
- Why did I go through certain experiences in the past?
- How can I resolve the past?
- Why am I the way I am right now?
- What is best for me?
- How can I redesign my future life?
- What would work better with me?
- What can give me thrive and prosper?
- How can I be happier and joyous irrespective of outer circumstances?
- How can I feel safe and secured
- How can I enhance my self-love and love for everyone?
- How can I build confidence and self-assurance?
- How can I have better foresight?
- How can I remain connected to my inner GPS?
- How can I be my authentic self?

Warm Regards
