Minecraft Earth is closing down in June 2021

Source: [Minecraft.com](https://minecraft.com)

- Minecraft Earth staff announced last week that the mobile Augmented Reality game will be shutting down on June 30th.
- The game launched in Early Access on October 17th 2019.
- A final update was pushed last Tuesday, which removed all real-money transactions, drastically reduced ruby costs, reduced time requirements for crafting and smelting, added many boosts, and added all remaining unreleased content.
- If you've ever made a purchase in Minecraft Earth, you will receive a free copy of Minecraft (the Bedrock version).
