

Service Above Self Award

This award recognizes those students or student organizations who best exemplify the qualities of care, concern, and/or advocacy for others through their participation in and/or coordination of volunteer and service activities that contribute positively and purposefully to their communities. Recipients of this award can be nominated by faculty, staff, students, and members of the local community. Nominations should include descriptive information outlining student's specific contributions as they relate to the criteria for this award. Where appropriate, please also include students and/or student organization's involvement in and/or affiliation with community agencies.
