

Danestone Primary School

Class News - September 2022

We have had a busy start to the term with lots happening in our setting. Our garden is finally finished and the children have been happy to explore all that it has to offer. Our new starts have settled in well and are getting used to the rules and routine of the Early learning centre setting.

New member of staff

We will be welcoming a new member of staff to our team this month, Ms Guilia Mancin. She knows our setting well from covering through supply these past few months. We are happy to welcome her to the team!

Drop off and pick up times

Drop off times are 8 - 8.15 at the Forest class gate for both classes and 9 - 9.15 at your child's classroom gate. Pick up at 3pm will be at your child's classroom gate.

In order for staff to organise afternoon tea, we shall be having pick up slots for the children who are here later. These will be 4pm, 4.30pm, 5pm, 5.30pm and 5.55pm. Please inform staff when you drop off your child which slot time you will be picking up your child. Collection will be at the main door at the front of the building.

Stay and play

We are looking forward to welcoming our parents in for our stay and play sessions. There will be a google form coming out in due course for you to pick your days and times so we can make a timetable, this will then be shared on Seesaw.

Parent helpers

We are looking for parent helpers to help out with activities in class such as toothbrushing , toastie time and art. There will be a google form coming out in due course to ask for volunteers.

New garden

Our wonderful new garden is finished and the children have been loving exploring the different areas. We have spoken with the children about not throwing stones to keep each other safe however they are having lots of fun pouring, filling and digging. We have had treasure hunts and mud kitchen recipes galore! The garden will be an ongoing developing area which the children will be fully involved in. If you have any ideas on what we can do in our garden please let us know.

Key workers

Next week you will be informed of your child's key worker via seesaw.

Change of clothing

Can all children have a change of clothing with them especially pants and socks as we are running short of spares of these in nursery. Please ensure your child has a set of waterproofs and wellies for all weathers outside.

Thank you for your help settling the children into nursery and we look forward to a productive and happy term :)
