WELCOME TO CERULEANBOXERS' ART AND COMMISSION SHOP! BEFORE ASKING QUESTIONS, PLEASE REFER BELOW:

I, CeruleanBoxers, reserve the right to refuse any and all commissions that include ideas that I am uncomfortable with.

Unless purchased through ko-fi or patreon, I do not accept payment in full until the piece is complete; however, I do require a down payment before starting. Said down payment is roughly 50% the price of the completed. **Refunds are not accepted after the piece has been started. This is non-negotiable.**

As a general rule, I will refuse any group commissions of more than three people or animals in one scene. This is both to remove bloat from my wait list as well as to assure the picture is actually completed and done so in a timely manner.

Commissions are on a first come, first served basis, but you may ask about the status of a commission at your discretion, just pay mind the more time I spend answering questions, the less time I spend drawing.

I absolutely will NOT draw pornographic or suggestive themes, mechs/mecha (detailed references are required for robotic limbs etc), fetish content of any kind, or nudity of any kind. I will not draw children in perilous or life-threatening situations.

When the piece is completed, you will be allowed **one** free revision--assuming you do not want the entirety reworked, just some finer details--all revisions from thereon will be an additional $5 USD (or greater depending on the severity of the change) charge. To reiterate, that's an **extra charge of at least $5** *per* revision. In example, if the piece is reworked three times, there will be an added charge of *$15* total for the changes.

As a general rule, **I will NOT draw my OCs with your OCs**. Please contact me for permissions before drawing one of my OCs.

I am not currently offering sequentials or animations as a commission option, illustrations only!

Thank you for understanding, and for taking the time to read! If you have any further questions, feel free to reach out to me via e-mail or provided social media platform(s).
