

PROSPECTIVE SENIOR COURSE SELECTION SHEET

For all parents: I understand that my student's course selection is preliminary and that counselors will do their best to place my child in the courses listed below.

Seniors: As you complete your course selection sheet, you will select classes that meet your remaining core graduation requirements while also choosing electives that support your post-secondary plans. These electives may align with career interests, college preparation (ICC Early College), or skill development for the workforce (Work-Based Learning Experiences).
