

**Directions:**

- 1) Make a copy of this document and include your name in the title
- 2) Share the document with your speech therapist
- 3) Read the list of words below and put a number next to each word
  - \*0= I don't know that the word means
  - \*1= I only know one meaning for the word
  - \*2= I know more than one meaning for the word
- 4) Write 2 definitions (in your own words) for the vocabulary words that you already know
- 5) For the words in which you only know 1 definition, look up the another definition and create flashcards or a word/definition list to study these words
- 6) Make a comment at the end of the document, indicating that you are done with this assignment and ready for feedback. See example below.

**EXAMPLE:** bat 2

Equipment made of wood or metal used to hit a ball in sports

An animal that can fly
