Section 6: Contract Length

Vendor's standard contract length is three (3) years. It will automatically renew in one (1) year periods unless either party provides written notice of non-renewal at least 90 days before end of the term.

The Vendor holds the right to cancel the contract at any time and will at their own expense remove the machine from the premises.

If Owner decides to cancel the contract not within the 90 days prior to the end of term Owner shall pay Vendor a \$1500 termination fee. This fee handles the cost of moving the machine and the time spent finding a new location. After written notice is given to Vendor of early termination the Vendor will have 60 days to remove the machine from the premises.
