

Fairyland Crafts Adventure with Jenna

Instructions:

Check out this sample lesson plan and activity ideas for inspiration, ideas, and more. Feel free to edit, delete, or highlight to make it your own! These notes are yours to customize. They will not be published anywhere such that you're held to teaching exactly what's here.

Topics

Self-expression, observation, design thinking, crafts

Lesson Ideas

Lesson Title

Fairyland Creations

Duration

1 hour

Lesson Plan

1. Introduction to Fairyland Theme (10 minutes)

- Briefly discuss the concept of fairyland and its magical elements.
- Ask students to imagine what their version of a fairyland would look like.

2. Observation and Inspiration (10 minutes)

- Show pictures of different fairylands and magical creatures.
- Encourage students to observe the details and colors in the pictures.

3. Designing Your Fairyland (10 minutes)

- Provide paper and colored pencils.

GRASSHOPPER

- Ask students to sketch their version of a fairyland, integrating elements they observed.

4. Crafting Time: Fairyland Diorama (20 minutes)

- Distribute materials like shoe boxes, colored paper, glue, scissors, and embellishments.
- Guide students to create a 3D diorama of their sketched fairyland using the materials provided.

5. Sharing and Reflection (10 minutes)

- Invite students to share their dioramas with the class.
- Encourage them to explain their design choices and what inspired them.

Materials List

- Pictures of fairylands and magical creatures
- Paper and colored pencils
- Shoe boxes or small cardboard boxes
- Colored paper, tissue paper, and craft foam
- Glue and scissors
- Embellishments (glitter, stickers, sequins, etc.)
- Markers or crayons

Adaptations for Different Ages

- Younger children: Provide pre-cut shapes and simpler materials to reduce the need for scissors.
- Older children: Allow them to use additional materials like twigs, pebbles, or clay for more complex creations.

Movement Break

Fairy Dance (5 minutes)

- Encourage kids to pretend they are fairies and dance around the classroom to lively music, using flowing arm movements and twirling.

Bonus Activities

- Fairy Tale Story Time: Read a short fairy tale to the class to further enrich the theme.
- Nature Walk: If possible, organize a small walk outdoors to observe natural elements that could be part of a fairyland.

GRASSHOPPER

- Create-a-Fairy: Have students draw and design their own fairy character to inhabit their fairyland diorama.

Series Outline

1. **Introduction to Fairyland**

- Storytelling session: Read fairy tales and discuss key elements.
- Creative drawing: Kids draw their own version of a fairyland.
- Group discussion on what makes a fairy, inventing unique fairy characters.

2. **Exploring Self-Expression through Fairies**

- Mask creation: Design masks that reflect individual fairy personas.
- Drama play: Role-play as fairies, expressing different emotions.
- Journaling: Write a diary entry from their fairy character's perspective.

3. **Nature Observation and Inspiration**

- Nature walk: Collect items like leaves and twigs for fairy crafts.
- Sketching session: Draw inspiration from natural surroundings.
- Discussion on how fairies might use natural elements in their world.

4. **Design Thinking: Creating a Fairy Home**

- Brainstorming session: Discuss what fairies need in their homes.
- Build fairy houses using natural materials collected earlier.
- Presentation: Explain their design choices and functionality.

5. **Crafting Fairy Accessories**

- Create fairy wings using colorful tissue papers and wires.
- Design wands with sticks, ribbons, and glitter.
- Craft flower crowns using faux flowers and greenery.

6. **Exploring Fairyland through Music and Dance**

- Introduce different types of light, ethereal music inspired by fairy tales.
- Choreograph a simple dance that mimics fairies' movements.
- Musical instruments: Create simple instruments for fairy music.

7. **Writing Fairy Stories**

- Story mapping: Plan a story using their fairy characters and settings.

GRASSHOPPER

- Group collaborative storytelling: Pass the story around, each adding a sentence.
- Illustrate a scene from their story.

8. ****Understanding Fairy Cultures****

- Research different cultural fairy tales and myths.
- Create a comparison chart of fairies around the world.
- Craft cultural fairy symbols or ornaments.

9. ****Create a Fairyland Diorama****

- Assemble all learned skills to design a miniature fairyland diorama.
- Use crafts, materials, and ideas from previous weeks.
- Peer review: Tour each diorama and discuss inspirations.

10. ****Fairyland Reflection and Presentation****

- Exhibition setup: Display dioramas, crafts, and stories.
- Reflection journal: Write about what they enjoyed and learned.
- Invite parents for a 'Fairyland Open House' where kids present their work.
