

# Privacy Policy

This Privacy Policy applies to the mobile application (referred to as the “App”) developed by **ИМЯ РАЗРАБОТЧИКА** (“we,” “us,” or “our”). The App is offered as a service, provided on an “as is” basis without any express or implied warranty.

## 1. Information Collection and Use User-Provided Information

When you download or use the App, you may voluntarily provide certain information. Registration is not mandatory, but some functions may be limited if you choose not to register.

The information you provide may be used to contact you occasionally with important notices, updates, or promotional offers relevant to the App.

### Automatically Collected Data

The App may automatically collect non-personal information, such as:

Your mobile device model and operating system version;

Unique device identifiers (e.g., IDFA, Android ID);

IP address;

Browser type and language;

Interaction patterns within the App.

This information is used to analyze performance, troubleshoot issues, and enhance user experience.

## 2. Location Data

The App does not track or collect precise real-time location information from your device.

## 3. Sharing of Information with Third Parties

We may share aggregated or anonymized data with third-party analytics or advertising partners to improve our services. Personally identifiable data is not shared except as described below:

Legal requirements: when disclosure is required by law or a legal process;

Safety and fraud prevention: when necessary to protect user safety, investigate misuse, or comply with government requests;

Trusted partners: with authorized service providers who assist in operating or analyzing our App, under confidentiality agreements.

#### 4. Third-Party Services

The App integrates third-party tools that have their own privacy policies. You can learn more through the following links:

AdMob

Google Analytics for Firebase

Firebase Crashlytics

Facebook

Unity

We are not responsible for how these providers handle your data, so we encourage you to review their policies directly.

#### 5. Opt-Out Rights

If you no longer wish to share information or use the App, you can stop data collection at any time by uninstalling it from your device. Standard uninstall procedures through your device's settings or app marketplace apply.

#### 6. Data Retention and Deletion

We retain user-provided data as long as your account is active and for a reasonable time afterward. Automatically collected information may be stored for up to 24 months in aggregated form.

If you wish to request deletion of your data, please contact us at [ПОЧТА](#). Note that removing certain data may limit the App's functionality.

#### 7. Children's Privacy

Our App is not directed toward children under 13. We do not knowingly collect personal data from minors.

If we become aware that information from a child under 13 has been submitted, it will be permanently deleted.

Parents or guardians who believe their child has shared personal data should contact us at [ПОЧТА](#) for immediate assistance.

## 8. Security

We are committed to protecting your information. Technical and organizational safeguards—including access restrictions, encryption, and secure storage—are implemented to help prevent unauthorized access.

However, no security system is completely foolproof, and we cannot guarantee absolute protection against breaches.

## 9. Policy Updates

We may update this Privacy Policy periodically. Any significant changes will be reflected on this page.

Your continued use of the App after updates become effective signifies your acceptance of the revised terms.

## 10. Your Consent

By using the Our App, you consent to the collection and processing of your data as described in this Privacy Policy.

The term “processing” includes all actions such as collecting, storing, using, combining, and deleting data.

## 11. Contact Us

If you have any privacy-related questions or requests, please contact us at: [ПОЧТА](#).
