SCHOOL MESSENGER
School and district communication is distributed via phone, text, and email.
Be sure to keep all of your information current in PowerSchool. If you move or change your email or phone number, please contact the school to get that information updated.

EMERGENCY CONTACT INFORMATION
It is best to keep emergency contact information up to date. If your phone numbers change or if you would like to add any new contacts, please email the Data Manager, Ms. Batista at lbatista@wcpss.net.

TRANSPORTATION
Parents or Guardians must register with the transportation department *yearly*. Please visit https://www.wcpss.net/domain/30 to find out more about registering your child for the bus. Student transportation information can be found on PowerSchool.

SCHOOL LUNCH
To learn about school meal pricing and more, go to: https://www.wcpss.net/Page/1852
Applying for free or reduced-price meals? Go to: https://www.wcpss.net/Page/1849

POWERSCHOOL / PARENT PORTAL
PowerSchool provides parents and students access to information such as attendance, grades, transportation. Parents are required to complete an application for access to this account. Access forms can be found on our website under the Families tab. Completed forms can be hand delivered to the school (must show ID). Alternatively, forms can be notarized and emailed to Ms. Batista (lbatista@wcpss.net). Once the school has verified your forms, you will receive an email with information to set up your account (Access ID and password). **Phone app.** *District Code* is **KNDW**

PARENT CANVAS ACCOUNT
Canvas is a learning management system. Parents can create an account in Canvas to monitor their child's progress. To do this, the student must generate a pairing code for the parent to use when creating an account. You can find instructions on how to create this account on our website. https://www.wcpss.net/domain/19368

STUDENT CHROMEBOOKS
All WCPSS students are provided a Chromebook laptop for school work. Students are expected to bring their charged Chromebook to school every day.
New student Chromebooks are delivered to the school from Technology Services. Once the device is received at the school, it will be delivered to the student. While the student is waiting for their device to be delivered, they may use a classroom laptop.
Students may also use personal laptops.
