*In Today's News Time:*

Five Reasons Why Rainbow Dash is Better than the Xbox One By Cereal Velocity

- <http://www.equestriadaily.com/2013/06/five-reasons-why-rainbow-dash-is-better.html>
- We here on The MBS Show don't usually report on opinion piece, but when we do it's going to be good!

A recent article written by Cereal Velocity popped up on EQD stating that Rainbow Dash, the fastest flier in all of Equestria is better than the Xbox One gaming console.

He gave five good reason why and those reasons are:

- She's Backwards Compatible
- She Will Gladly Play Used Games
- She Can Fly
- She Comes in More Colors
- She's Free

- Links can be found in the show notes.

#### News Sites Are Talking About Equestria Girls

- <http://www.equestriadaily.com/2013/06/ponies-in-news-slate-misses-mark-daily.html>
- On a more serious note. With the release of Equestria Girls in theaters, three news website have written articles on it.

The website Slate.com is for the idea of ponies turning into humans but their perception maybe a bit skewed.

The website Betabeat.com and Dailynews.com are in the camp of ponies should stay ponies, both stating that the humanization of the ponies are too sexy and may influence the mind of a young children.
