

## [DO NOT EDIT THIS PART]

Please leave any comments or questions about today's class. Please be constructive :) Also, feel free to share any interesting material with classmates. We're going to continuously evolve our backchannel system: treat this as a semester-long collaborative experiment of social computing.

### Rules

- [8/28] Write your name before your comment. e.g., *"Juho: why is this important?"*
- [8/28] If you want to refer to a particular slide, mention a slide number before your comment. e.g., *"Juho: 12 - why is this important?"*
- [8/30] Use bullet points for a threaded discussion. e.g.,
  - *Eunyoung: I think the prof is making no sense.*
    - *Seoyoung: Yeah, that's so true...*

- Yujin: Help us evaluate our project! - <http://bit.ly/CrowdReact>
- Jisu: Why you guys press angry? Because it is the first button in the app?
  - Anonymous: just for fun :) It's actually lagging when I use the app with my phone.
  - Dongmin: I think it can be trolling.
