Notes:

Jeffco CTC Tour

- Youth drive everything that we do, current projects that the coalition is working on were brought to us by youth and youth continue to provide valuable input into the work of the coalition through internships and other projects
- CTC is data driven! Data from HKCS and Youth Town Halls informs all of our work

Jeffco Teens Intern Presentations

- Jeffco Teens Internship overview
- Data

 - [Wheat Ridge Teen Spaces](#)
 - Beth June - Community Advisor
 - Positive Comment - Coming up with a lot of different events is hard and you all crushed it!
 - There is another Wheat Ridge Teen Night on Friday, May 13th, the theme is Silent Disco
 - Silent Disco at Anderson Building, 4355 Field Street, Friday, 5/13, 7:30-10:30 pm. FREE!!! Invite friends!!!
- Changing policy, systems & environments
 - [Edgewater Collective](#)
 - Joel Newton - Community Advisor
 - Positive Comment - It is clear how much work they had to do to get these things done and how passionate they are about what they are working on and looking forward to what they will do next
 - [CTC Youth Leaders Policy Makers Forum](#)
 - Maggi Crabb, Pamela Gould, Margie Grimsley - Community Advisors
 - Positive Comment - Great work engaging these policy makers
 - [Healthy Decision Making](#)
 - Jaime Grimm - Community Advisors
 - Positive Comment - There is an amazing amount of data on this topic to sort through, nice work working on this topic

Q & A for Jeffco Teens (not comprehensive of all questions asked)

- Town Hall Group
 - What were the challenges of collecting this data virtually?
 - a little difficult to get everyone to participate in breakout rooms over zoom
 - How would you like to broaden the scope of your data
 - bring in more people to the town hall with social media, flyers, advertise the town hall more, more word of mouth

The Jefferson County CTC Community Board's shared vision... Jefferson County is a thriving, healthy and safe community for our youth.

Jefferson County Communities That Care

- Library Programs Group
 - What activities did you provide?
 - Programs - main survey had laser tag to get people to come and take their survey
 - Tell us more about where your data comes from and how you collected it
 - gathered data at a WR rec event and also the Belmar library, would like to gather more information
- Library After Hours -
 - Which libraries participated?
 - Edgewater, Lakewood
 - What was the hardest part?
 - not being sure of what other youth wanted to do
 - figuring out what was and was not working on the spot
 - What was the best part?
 - planning and figuring out what to do
- Edgewater Collective
 - How did you interact with the adults and healthy food school staff to make the moves that you did
 - students and parents were on the same page about not having healthy options, they wrote to the school board
- Youth leaders
 - How did you have conversations with community leaders?
 - over zoom, helped to have many people available and we got many meaningful answers to the questions asked
- Healthy Decision Making
 - How will you get the word out about your recommendations to the community?
 - Would like to let teachers and administrators be more aware of the recommendations so they can teach them!
 - How excited are you about the policy that just passed?
 - I'm very excited!! great to have schools teaching these things so that
