

THE CHILDREN'S HOUSE

2024-2025 School Year

Clover Classroom Nido Supply List

Guide: Jeanette Kania

- ❑ **Diapers, as needed.** We can store larger quantities and tell you when the diapers run low. The school provides unscented wet wipes. If you prefer, you may send your own wipes (labeled with your child's name).
- ❑ **Diaper cream, as needed.** Please label diaper cream with your child's first and last name, per state requirements.
- ❑ **Two complete changes of clothing.** *Please clearly label your children's clothing and other belongings.*
- ❑ **A jacket/snowsuit,** appropriate for the current weather.
- ❑ **A sunhat or winter hat and mittens,** as appropriate for the current weather.
- ❑ **Foot covering/shoes for outdoors.** Please check with Jeanette if you need ideas for those that work best.
- ❑ **A wet bag** for sending home dirty clothes.
- ❑ State regulations are very specific about **bottles of formula and breast milk** being sent to school. All must be prepared at home, in a ready-to-feed manner. They must be labeled with the child's first and last name and the date.
 - ❑ Breast milk can be stored in our classroom freezer, marked with the date of collection, and labeled with the child's first and last name. Frozen breast milk must be rotated and be dated as no older than two weeks per state regulations.
- ❑ [Health Appraisal form](#) completed by a physician before the first day of school for new students and updated annually.
