

TAKE THOU ME

*From asking to acknowledgment,
From avowal to adulation,
From advising to acquiescing,
Oh Lord, take Thou me.*

*From believing to beholding,
From beseeching to belonging,
From begging to becoming,
Oh Lord, take Thou me.*

*From conversing to communion,
Creed to consanguinity,
From contemplation to kinship,
Oh Lord, take Thou me.*

*From discussion to devotion,
From debating to delighting,
From decision to discovery,
Oh Lord, take Thou me.*
