

CORUNNA HIGH SCHOOL ANNOUNCEMENTS

May 28, 2025

Attention all eighth grade student council members: There is a meeting in the media center at this time.

At this time, there is a meeting for any girls interested in playing golf in the fall in Mr. Challender's room 200. The Summer Golf Calendar will be discussed.

And now for your Mental Health Moment: You are more than your grades or likes. Your worth is not measured by numbers. Your value comes from your heart, your effort, your creativity—not stats. Did you know: External validation (like social media likes) gives only short-term mood boosts and can lead to burnout?

All library books are due at this time. Please return to the Media Center before or after school. Check your lockers for math books and any other items needing to be returned.

Attention all eighth graders: There will be an end of year celebration this Friday, May 30, from 2:30 to 4:30. The cost will be five dollars and concessions will be available for purchase. All funds raised will go to support your future class activities.

Attention current 8th-11th Grade Girls interested in Volleyball: There will be a volleyball meeting today in the Media Center immediately after school. We'll be handing out summer calendars and going over important information for anyone planning to try out. If you're thinking about playing next season, be there!

Attention All Students: If you purchased and received this year's yearbook, then you should pick up your copy of the spring supplement today at lunch.
