

# Nature Notes

## Directions:

This box in the roadmap has TWO STEPS.

**First:** On three different occasions, get outside to observe something small in nature. Record your findings using these graphic organizers below. Things you may choose to observe would be

- ★ Animals
- ★ Plants
- ★ Weather

Subject	Characteristic	Characteristic
Characteristic	Characteristic	Characteristic
Characteristic	Pattern	Prediction

Subject	Characteristic	Characteristic
Characteristic	Characteristic	Characteristic
Characteristic	Pattern	Prediction

Subject	Characteristic	Characteristic
Characteristic	Characteristic	Characteristic
Characteristic	Pattern	Prediction

**Second:** Select ONE of your observation notes to write a paragraph about using this structure:

1. What did you observe?
2. What were the characteristics?
3. What was the pattern you noticed?
4. What is a predication (or conclusion) you have?
