Note: all questions should be worded such that the "no" option represents the status quo option.

1. Policy Propositions
    a. Should the University divest from fossil fuels?
        i. Yes/No
    b. Should the University commission a private police force?
        i. Yes/No
    c. Should the University build a student center?
        i. Yes/No
    d. What tobacco usage policy should be implemented by the University?
        i. No change to existing smoking policy (No smoking within 25 feet of campus structures)
        ii. Designated smoking areas more than 25 feet from campus structures
2. Constitutional Propositions (if passed, these propositions change all relevant clauses in the SGA Constitution to reflect said vote)
    a. Shall the number of Senators in each Class Council be increased from 7 to 10? If passed, this proposition would go into effect with the Spring 2019 Class Senate elections.
        i. Yes/No
    b. Shall the position of Executive Secretary be retitled to "Executive Chief of Staff"? If passed, this proposition would go into effect immediately.
        i. Yes/No
    c. Shall the SGA Constitution be changed such that an automatic referendum is held every Fall Semester? If passed, this proposition would go into effect with the Fall 2018 semester.
        i. Yes/No
