 - **Experience:** I am pleased to recommend Ms. Aubrey Arpie, BSN, RN, for the position of Sullivan School nurse within the Holyoke Public Schools.
 - Demonstrates strong interest and enthusiasm for the school nurse position at Sullivan Middle School.
 - Actively pursuing a transition to school nursing; currently registered to take the MTEL for DESE licensure.
 - Brings 8 years of hospital-based nursing experience, offering a solid and diverse clinical foundation.
 - Developed critical thinking and independent decision-making skills while working night shifts on a medical-surgical floor.
 - Most recently worked in the operating room, gaining experience in:
 - Interdisciplinary collaboration
 - High-level organizational and communication skills
 - Care across a wide range of surgical specialties and diverse patient populations
 - Known by colleagues as a dependable, compassionate, and supportive team member.
 - Deeply empathetic toward the psychosocial needs of others; passionate about being a source of support in the school setting.
 - Personally invested in food allergy education and management, stemming from her child's severe peanut allergy.
 - Well-versed in the prevention and treatment of allergic reactions.
 - Confident in her clinical abilities and intentionally seeking a role that aligns with her strengths, values, and long-term goals.
 - Believes Sullivan Middle School is an ideal fit, where she can combine her clinical skills with her desire to support students and families.
