Strongly disagree

What did you like the most about the training course content?

User environment

Interactivity

Easy-to-understand content

Glossary

Practices

Questionnaires

Videos

● **Please answer the following two questions in your own words:**

Drawing from your personal experience, do you have any suggestions that would help us improve the modules of the training course? (Was anything missing/ hard to understand/ not elaborated enough?)

Which (if any) part or aspect of the training course did you particularly like or find useful?

Thank you for your feedback!

Certificate of participation

After completing the required training course activities, the system will automatically generate an electronic Certificate of Participation in pdf format with your data. You can view the certificate ("View certificate" button) and save it. At the same time, the Certificate will be sent to your e-mail.
