

Alice Miller Student Welfare: Communicating Policies

The School Policies will be available to students, parents and the school community on the websites of Alice Miller School and Candlebark School. Copies are also available on the staff-access area of the School's Learning Management System, Compass. Copies of the policies will also be kept in the main offices at both schools, and can be accessed by parents and other members of the school community upon request.

Revised January 2020

Next Revision: January 2022
