

## Privacy Policy

Last updated: 30th Aug 2023

This Privacy Policy outlines how We ("we," "our," or "us") collects, uses, and safeguards your personal information when you use our mobile game "Flip The Tile - Matching Game" (referred to as the "Game").

### Information Collection and Use

We do not collect any personal information from users of the Game. The Game is designed to be enjoyed without the need for user registration or the provision of personal data.

### In-App Purchases

The Game may offer in-app purchases for virtual items or features. Payment transactions for in-app purchases are securely processed by the respective app store providers (Apple App Store). We do not collect or store any payment information from users.

### Third-Party Services

The Game may integrate third-party services such as advertising networks for the purpose of displaying relevant ads. These services may collect certain information for the purpose of delivering targeted advertisements. Please note that these third-party services have their own privacy policies, and we recommend reviewing their policies to understand how your information is handled.

### Analytics

We may use analytics services to gather aggregated and anonymized data about how users interact with the Game. This helps us improve the gameplay experience and identify areas for enhancement. The data collected is not linked to any personally identifiable information.

### Children's Privacy

The Game is intended for general audiences and does not knowingly collect any personal information from children under the age of 13. If you believe we have inadvertently collected information from a child under the age of 13, please contact us, and we will take steps to promptly remove such information.

### Changes to Privacy Policy

We reserve the right to update or modify this Privacy Policy at any time. Any changes to the Privacy Policy will be posted within the Game. It is recommended that you review this Privacy Policy periodically for any updates.

### Contact Us

If you have any questions, concerns, or requests regarding this Privacy Policy or the data practices of the Game, please contact us.

By using the Game, you agree to the terms outlined in this Privacy Policy.
