DRAKE
MIDDLE SCHOOL
DRAGONS

Greetings, families!

As you may know, we are offering an opportunity for Drake Middle School students to travel on an experiential learning adventure to Europe (London, Paris, and Rome) in early June 2024.

There has been an overwhelming amount of interest and excitement since we initially unveiled this opportunity. We have been impressed by the response and are so excited for our student travelers to gain new perspectives, develop confidence in themselves and a sense of independence, and build skills for the future through this experience.

We are reaching out to you now because **the $100 enrollment discount our travel partner, EF Educational Tours, is offering for new enrollees is expiring on September 30th**. We are also expecting a **major price increase on 10/1** for those who have yet to enroll. Therefore we wanted to give families one last chance for their student to join our group.

Our tour page covers most of the important details, including dates, what's included, and how to enroll. You may access it here: eftours.com/2598456BN

Please view the Parent Guide to Travel. This guide covers all the details about EF, including options for academic credit, payment plans, and what to expect on tour. Additionally, once you enroll, you will have access to an individual fundraising page and will be able to apply for EF's Global Citizen Scholarship. ****(summer 2024 tours only)****

Still have questions? EF's Traveler Support team can help online at https://www.eftours.com/contact-us or by phone at 800-665-5364. And if your student has friends who haven't signed up yet, feel free to pass this message along to their families too.

And please don't hesitate to reach out to us, either, with any questions.

Sincerely,

Laurel Wicke, Kim Wilson & Holly Brinkman
the Drake Europe '24 Team

P.S. Check out this video to learn what parents & guardians like you thought about their own children's EF tour experiences.
