January 7th, 2025

Good evening Parents and Guardians and Happy New Year!

We hope you and your family enjoyed a safe and blessed Winter break.

We are so excited to welcome back our Hornets to the hive tomorrow for the first day of our Spring semester. Below you will find some important information and updates regarding all things MPMS.

3rd Six Weeks Report Cards:

Your student's 3rd six weeks report card will be sent home with your student on Monday, January 13th.

Grade Level Code of Conduct Meetings:

As we return to campus, teachers will be reviewing the campus expectations and their Capturing Kids Hearts Social Contracts for each of their classes. Additionally, grade level Assistant Principals and myself will be meeting with all students by grade level based on the schedule below to review campus expectations, academic progress, goals for the Spring semester and the HISD Code of Conduct.

8th Grade Code of Conduct Assembly - Wednesday, January 8th

7th Grade Code of Conduct Assembly - Thursday, January 9th

6th Grade Code of Conduct Assembly - Friday, January 10th

Spring Academic Plan:

Utilizing our Fall Benchmark data, teacher teams have strategically selected individual students based on their academic performance for targeted instruction that is skill and content standard specific for all of our Spring Hornet Time Interventions and Enrichments. This will ensure individual student needs are being met in preparation for our upcoming assessments.

In addition to these strategic plans, teachers and administrators will be visiting individually with students who underperformed on their Fall Benchmark assessments to address identified needs, establish and monitor progress goals and reiterate the importance of their role in the learning process. Additionally, we will be celebrating soon all students that met and achieved their respective incentives in regards to their benchmark assessments.

Thank you for your continued support.

Sincerely,

Mr. Josh Campbell

Principal

All students thrive as lifelong learners and global citizens prepared for the futures they create.
