

Bear Races (Directions)

Materials: gameboard, one die, game marker for each player

Number of players: 2-3

Directions:

1. Players take turns.
2. Roll the die.
3. Subtract that number from 10.
4. Move the marker that many spaces.
5. The player that reaches the finish first is the winner.

Variation: Players can roll two dice, add them together, and move that many spaces.

Or

Players can roll two dice, add them together and subtract that number from 20, and move that many spaces.
