

Hello Woodlands Families,

As we move into online learning I would ask the students to continue to work on the concert songs. I am sending home lyric sheets so students can sing along with their songs. I am also putting these song sheets and youtube links to the songs in the google drive folder and on dojo. I will include versions of the song that have the words sung, and then the karaoke versions that we will use during the concert. Please sing through these songs twice per day, Mon-Fri. :)

Band students please continue to practice and use the online app accessed by the access code in the back of the Traditions of Excellence music book. I would ask for you to practice 15-20 minutes a day for 5 days a week so we don't fall behind as a band! Repetition is key to developing great technique! Continue working on Rain, Rain and the two new notes we learned. Please read each page carefully to make sure you are maintaining proper technique. Please also use the online videos when covering a new topic. If you feel adventures, read and try to play ahead. Please dojo or email me with any questions when practicing your instrument!
