Instructor Name: Denise Sykes

Type of Class: Embroidery

Date: Friday January 2, 16, 23, and 30, 2026 from 9:30 am to 3:00pm.

Max Number of students: 8

Description of the class: Celebrate the whimsy of Easter with Kimberbell's Hoppin' Down the Bunny Trail. The 16" x 38" interactive bench pillow captures the delights of the season with blossoms, bees, and so much more. You will follow the applique sign to the carrot home, then open the mushroom door to see who's inside! A tiny quilt dances from the clothesline, while a bunny friend burrows into the rain boot pocket. This pillow also has touchable textures, custom buttons, and new techniques that make this bench pillow a Easter décor every "bunny" will love!

Note: OPTIONAL Quilting designs for each block are sold separately through Kimberbell website. You can access this website through the Loving Stitches website and click on Kimberbell icon and bottom of web page. If you desire to quilt each block with their designs, then you will need to purchase and download these designs. You can also wait until the pillow top is completed and use traditional quilting. Please disregard the Orange Pop Rulers as mention in the pattern, because you do not need them.
