

MCMA Annual Appeal

Each year in December, MCMA asks for the financial support of its membership. All members of Redeemer Council #11042 are MCMA members. When the Council's financial secretary issues annual membership renewal notices, a solicitation is included for MCMA. Please be as generous as you are able. MCMA is the tax-exempt function of the Council. Its purpose is to increase the Catholic presence of the Knights of Columbus in Mechanicsville and Central Virginia. We accomplish this mission by supporting local charities whose missions are congruent with the Roman Catholic Church. In 2024, MCMA received \$3510 in financial support from you. Charitable donations were made to the following organizations:
