# Chapter 1: “Interview”

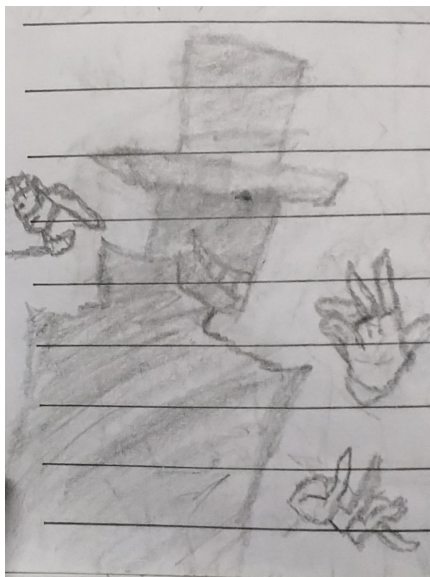

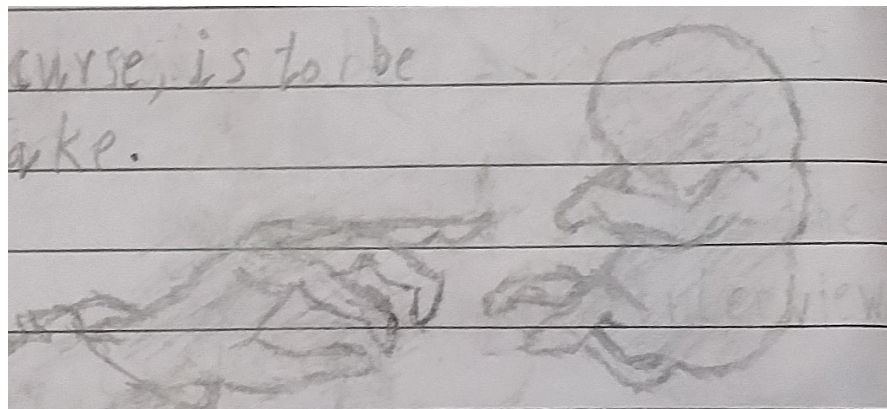

January 13th, 2019.

We came in. Like we always do.  
As a curse.

To be born as a curse in this world-  
It is a cruel fate, isn't it?

And no matter-  
how good we are...

It shall never change  
the fact that-

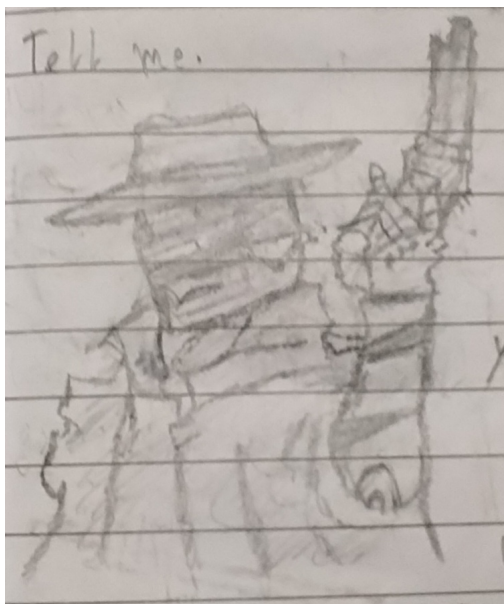

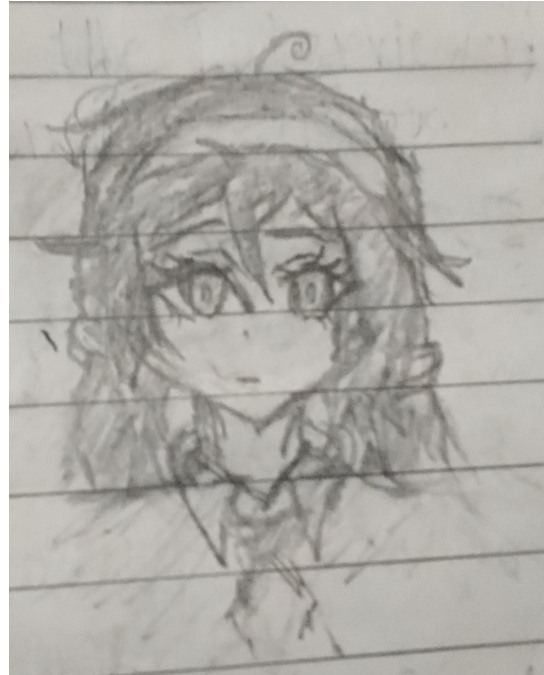

We will always be below,  
The likes of vermin.

It's in our nature,  
A feeling of hatred.

Seeing all those horrible,  
Horrible, people win...

It hurts, doesn't it?

You feel it too.  
So I must ask you.

Are we just tools?  
Created to be used and forgotten?

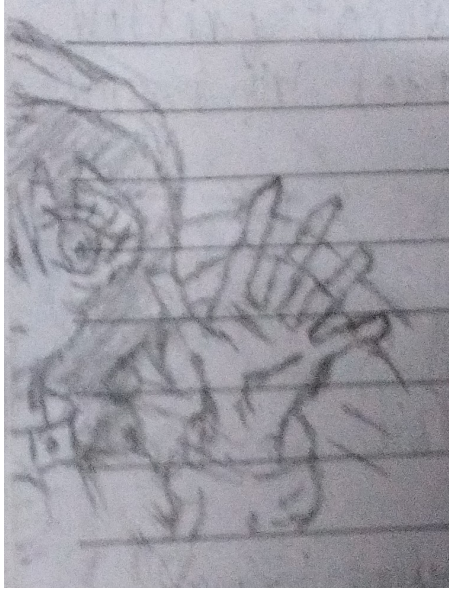

“...Not really.”

A liar's tongue, I see.

To the one who left it all behind.

A funeral for the one who remembers.

**For this is where...**  
**We came in.**

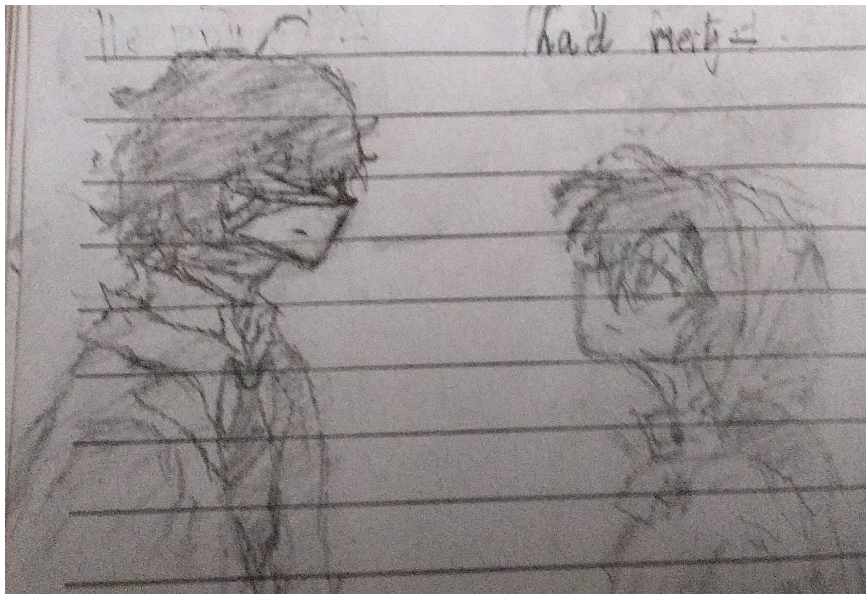

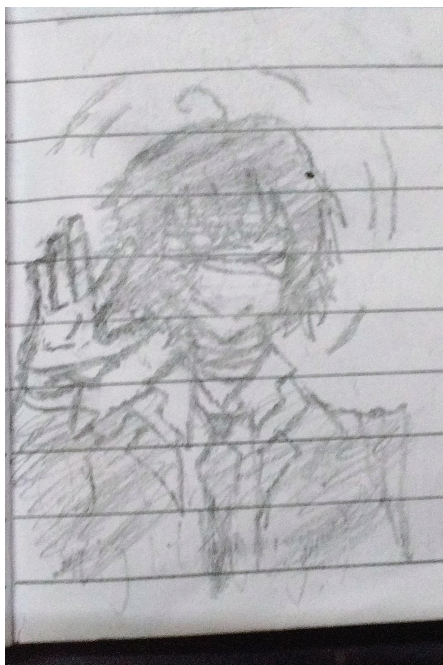

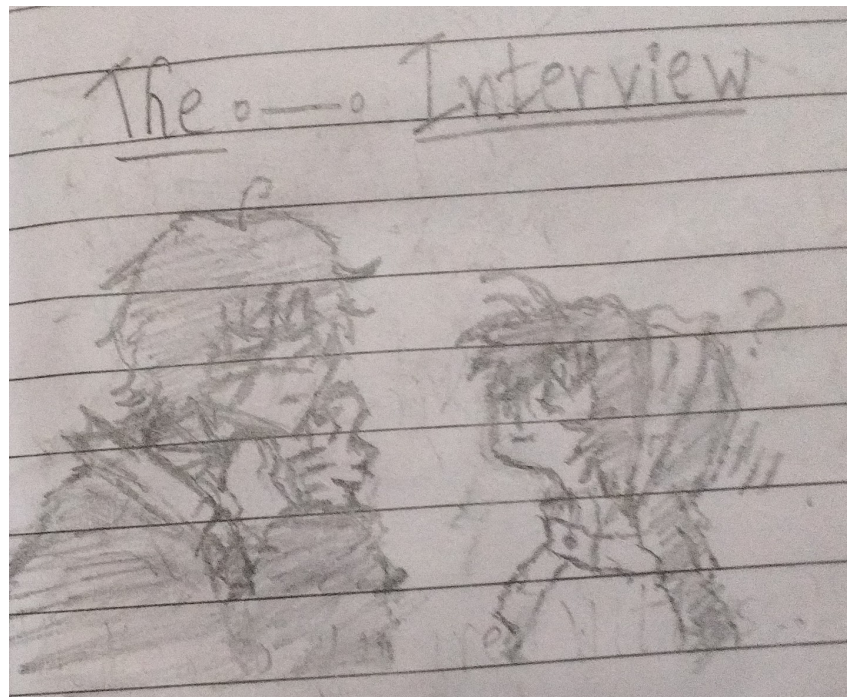

“Mister Grainss? Hello?”

“Huh? What?”

“Don’t you recognise?”

...

"Hey! I recognise ya! Witless, long time  
no see!"

Where have you been?  
It feels like it's been decades since we  
last met!

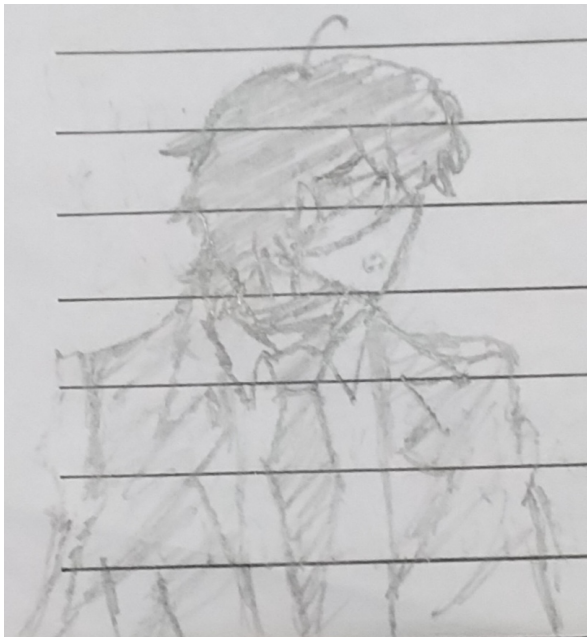

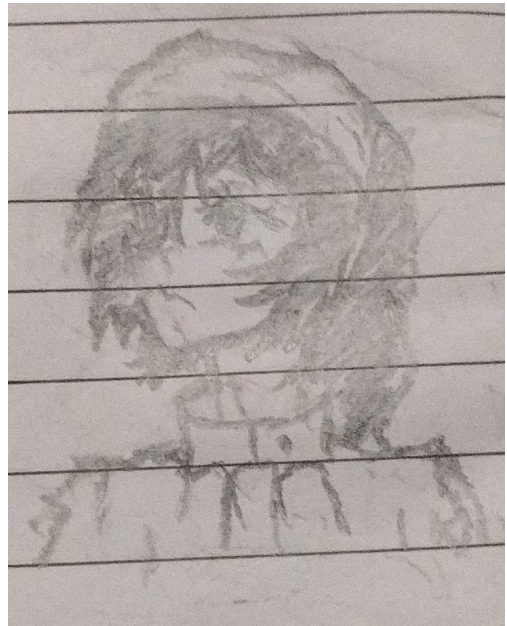

You've even got yourself a fancy haircut! I  
like it!"

"U-Uh... Thanks... And er-erm, I was  
busy... studying. Yeah!"

“Why did you cut your hair, however?”

“Uh-um... I just wanted a haircut,  
that... professionals like?”

(What am I saying?)”

“Why do you... not like it?”

“Well, of course I do! I was just  
being curious.

No need to be so anxious; you  
are here for an interview, of  
course!

So toughen up a little, and you  
should be **JUUUUST** fine!”

“O...kay. I guess...”

“**HEY!** Why are we just standing around and doing nothing when

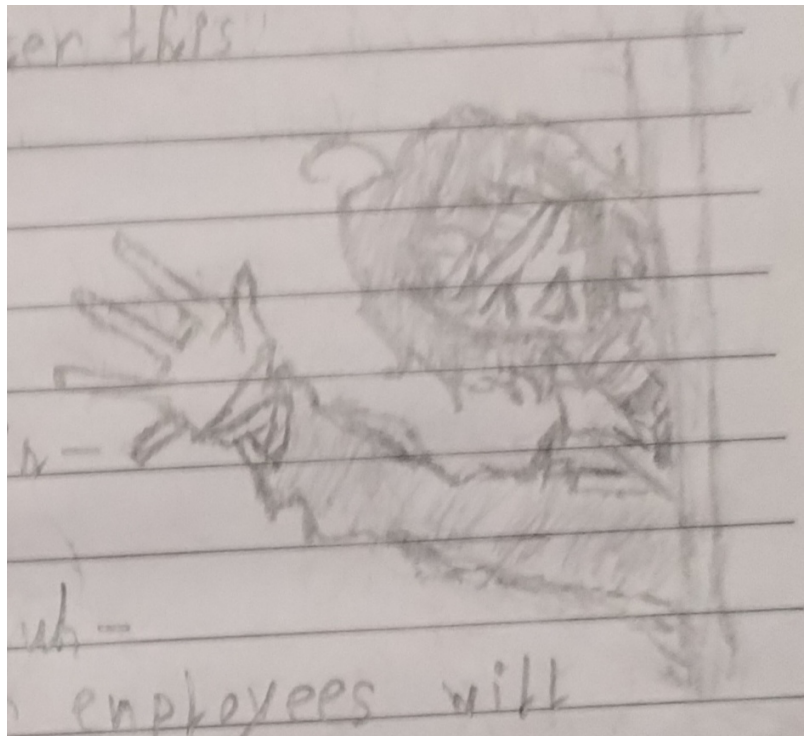

we have an interview to do!

Alright, so when you are ready to give the interview, just go through this door!

And a little reminder: don't stress out too much.

And also, my employees will be there, and they will slander you if you give a dumb response!

Nah, just kidding.

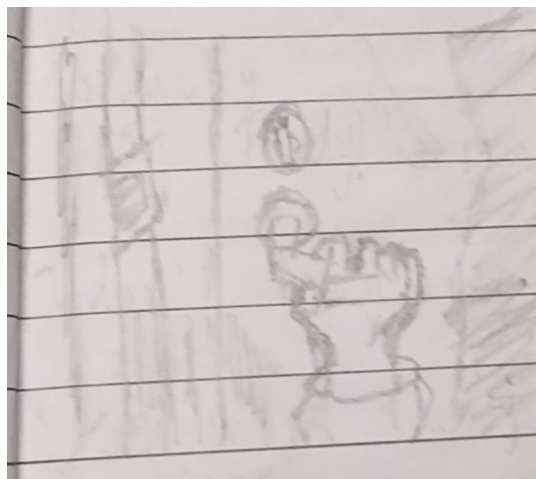

Anyways, let me quickly check up on them to see whether they are ready as well!"

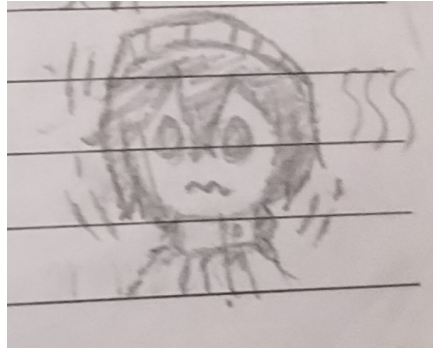

(Muffled) "Wait, WHAT SHE'S ALREADY HERE?! I DIDN'T EVEN GET TO FINISH THIS!"

One of the... *Employees* said.

"Yup! Everyone's prepared! Come on inside!"

“Well, I really hope I don’t get to embarrass myself in front of him and the other people...”

As Witless entered the door, she was met by her greatest fear: The darkness. The shadows shrouded her. Remind her of how belittling she is.

But before she could open her mouth-

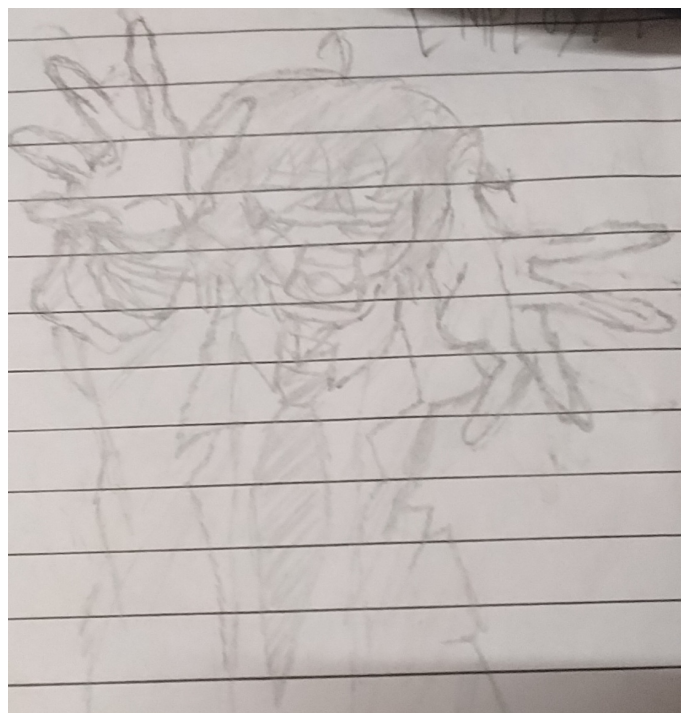

**BOOM!**

A spotlight shone on her face!

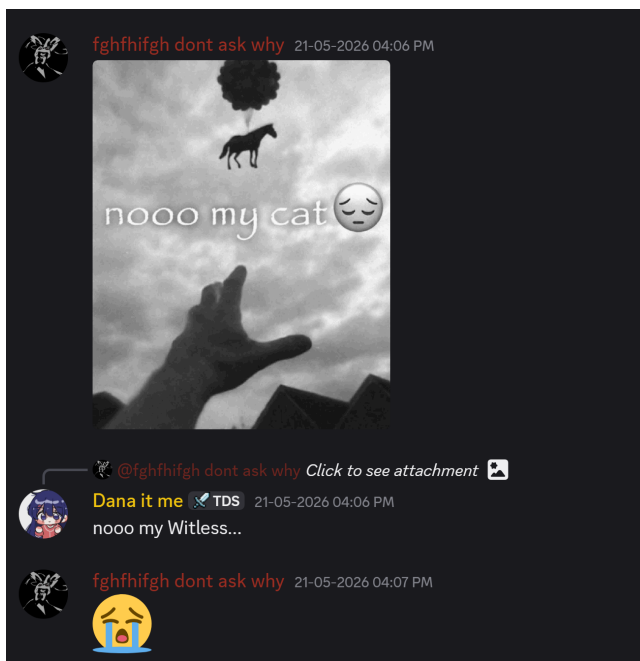

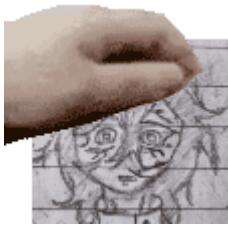

“LADIES AND GENTLEWORMS!

WE HAVE *a potentially* **new**

**EMPLOYEE!**
