Good morning boys and girls happy Sabbath hope you guys are enjoying your weekend and they have a good upcoming week. Today's story will revolve around this but it couldn't focus. revolve around Penny.

Now you know you guys have learned that this is worth one cent we're kind of like this Penny when we when we were first created. We were shiny Clean, spotless, no faults made in the image of God. However, as time has gone on, we have become rather dirty.

As time has gone on, we have become rather dirty. You can see here with this penny

Now in the Bible to be specific, in Psalms 51, verse 10, it says, Create in me a pure heart, O God, and renew a steadfast spirit within me. Now, what this means is when we go to God, and we confess our sins to him, and we let him know that we what we did was wrong. He'll forgive us. Now, we're gonna take our dirty penny. And we're gonna put it in there. Now, this represents us talking to God, letting him know what you did, asking for forgiveness, because we sinned.

Now, once we do that, we can see that we become..... Hello. One eternity later,

when we finished confessing our sins to God, we can see that we become shiny again. So boys and girls, when you mess up, and you know you did something wrong, don't be afraid to ask God for forgiveness because he will forgive you and cleanse you of your sins. And at the end, he will leave you spotless and clean.

Let us go ahead and pray boys and girls. Dear your heavenly Father Lord, thank you so much for another day of life. Lord I ask you please be with these children. May you nourish and strengthen their minds, their bodies and their soul Lord, we ask all these things Name of Jesus Christ, Amen. Thank you, boys and girls, I hope you have a good rest of the Sabbath.
