Classroom Champion's Visit - Sponsored by ARC Resources

Hudson's Hope School enjoyed a special visit from our Classroom Champion - **Olivia McMurray** on Monday. It was so exciting to see Olivia share her accomplishments, medals, and stories of the importance of perseverance with our students. Our grade 1/2 class has been learning from Olivia all year long through video-meetings. Themes of resilience, perseverance, and goal setting have helped build Social Emotional Learning with our students. Thank you Olivia for taking the time to visit our school. A big thank you to ARC Resources for providing a fantastic Subway lunch to our entire school, for the great treats, special gifts for teachers, and "fidget spinners". Your staff-volunteers were so energetic, positive and kind! Go HAWKS Go!

Monday June 8 - Olivia McMurray
Our Classroom Champion leader is coming to visit us IN PERSON this Monday! She will present at our regular assembly, and provide some short visits to your classroom!
