

Behavior Lesson Plan Template to Teach: _____

(Initial Teaching for Acquisition)

Expectation		
Specific Behavior(s) and/or Procedures <i>List the behavior and the steps to complete</i>		
Context <i>Identify the location(s) where behavior is expected.</i>		
Teaching All Students		
Tell <i>Introduce the behavior and why it is important</i>		
Show <i>Teacher demonstrates or models the behavior.</i> <i>Teacher models non-examples</i>		
Practice <i>Give students opportunities to role play the behavior across all relevant settings</i>		
Generalization	Pre-correct/Remind <i>Anticipate and give students a reminder to perform behavior</i>	
	Supervise <i>Move, scan and interact with students</i>	
	Feedback <i>Observe student performance & give positive, specific feedback to students</i>	
Reteach <i>Practice throughout the day</i>
