

GROTON DUNSTABLE REGIONAL MIDDLE SCHOOL
COUNSELING DEPARTMENT
**Nashoba Valley Technical High School Visit/Tour
(8th-grade Groton Students Only)**

September 14, 2026

Dear Guardian(s):

On Monday, September 28th, Nashoba Valley Technical High School representatives will present to all eighth grader students regarding the academic/technical programs offered.

Any eighth grader from Groton that is interested in attending Nashoba Tech for high school is invited to tour the school on Friday, October 9th. The bus will depart the middle school at approximately 8:15 AM and return before 11:15 AM. Please remind your student that they are responsible for making up the work they missed while on the visit.

Since we value the limited time we have to educate your student, we are asking you to speak to them about whether or not attending Nashoba Tech is something they are considering. If your student is interested or curious in a technical education, we strongly encourage them to go on the tour. If you and/or your student are unsure about this option, please visit <https://www.nashobatech.net/> for more information. *As a reminder, Dunstable students can not apply to Nashoba Technical High School since school choice is closed.*

To attend the visit/tour, this form must be submitted to Ms. Zwicker, 8th grade counselor, by October 2 so we can plan transportation with Nashoba Tech. Please contact Ms. Zwicker if you have any questions.

Nashoba Valley Technical High School Open House is on Sunday, November 1st from 12:00 PM-3:00 PM. Families are encouraged to visit if they would like to learn more.

Ms. Zwicker
