Group Reservation

Music for a While offers reservable tables in the dance floor area as an add-on to standard tickets.

- **Small Tables:** Seat 6–8 guests
- **Large Tables:** Seat 10–12 guests (located in the back record room — vibier atmosphere with lower volume)
- **Ticket Requirement:** Table reservation tickets must be purchased separately; they are NOT included in or applied toward the bottle minimum
- **Bottle Service Only:** No cocktail or general drink service at tables — bottle service only
- **How to Reserve:** Table reservation tickets available as an add-on on the event's Eventbrite ticket page, or email help@matinee.club

How It Works

- Purchase table reservation tickets as an add-on for all guests on the Eventbrite event page, or email help@matinee.club with your event date and group size.
- Upon arrival, your group will be shown to the reserved table.

- Guests order exclusively through bottle service — no individual cocktail service at the table.
- At the end of the night, the host settles the bottle bill plus tax and tip.

FAQs

How do I find group reservation tickets?

Go to the specific event's page on matinee.club/events or Eventbrite and look for the group/table reservation ticket tier.

What if the event is sold out?

If it's sold out, it's very unlikely more tickets will be released. We strongly encourage guests to purchase tickets for their entire party at one time to ensure access. If you need to add additional guests after the fact a promo code to do so will be in your confirmation email. Otherwise you will need to reach out to customer service to see if there is any availability. Once an event is sold out we can not guarantee additional tickets.

Is there a coat check?

Can I bring a birthday cake or outside food?

Unfortunately, no.

Can I view the bar service menu?

Unfortunately it is unavailable for this venue. You can contact them directly for specific requests.

What is the refund policy?

Tickets purchased through Matinee Eventbrite are refundable up to 10 days before the event. Tickets from partner venue platforms are non-refundable. See the [full refund policy](#) for details.

If guests don't show up, do I still pay the minimum?

Yes. You are obligated to pay the full amount based on the number of tickets/packages purchased, regardless of how many guests attend.
