November 25, 2024

Junior students and parents,

The PreACT score reports for the October 30, 2024 PreACT exam administration will be distributed through English classes on Monday and Tuesday this week to all students who sat for this exam.

The PreACT score report only comes in paper format, so students are advised to keep track of their individual score report as this is the only copy they will receive. PreACT score reports also include student responses to all questions, including corrected answers for any responses students answered incorrectly.

This is a link to a copy of the PreACT exam that was administered to all RBHS students: [PreACT \(Form 18A\)](#). Students are encouraged to review their correct and incorrect responses.

This is also a reminder: all junior students are required to sit for the ACT exam on April 9, 2025, as part of the state accountability testing for the school. In addition, all freshmen and sophomore students are required to sit for the PreACT 8/9 Secure and PreACT Secure exams, respectively, on that same date. More information will be forthcoming in the spring.

If you have general questions about your PreACT score report, please contact Marc Helgeson at helgesonm@rbhs208.net. For questions regarding accommodations, please contact Zach Lommatzsch at lommatzschz@rbhs208.net.
