How to join a groupchat

Each post represents a groupchat by describing what the main theme will be and what people will most likely talk about in the groupchat.

(e.g 'Football + desc.' – the groupchat will be for people who are interested in football and want to have a discussion with other people around the topic)

- 1- Choose a groupchat theme you like
- 2- Comment on the post representing that groupchat you want to join
- 3- Wait to be added

Three Steps. It's really that simple! Please read the Important Info section.
