

# HORNER INTERVENTIONS 2025-26

Horner students are recommended to participate in school interventions if they have received a quarter grade of an F in English and or Math. Below is a list of strategies to assist you in improving your organization and study skills. Please discuss with your parents and commit to **at least three strategies** for the quarter to get back on track. This will encourage you to develop good study habits, develop a positive attitude, and feel more successful in school.

## Strategies to Build Academic Success

- ☐ Use your Horner Agenda/Planner to write down assignment due dates and tests/quizzes daily.
- ☐ Monitor your academic progress on Aeries and make sure all homework has been completed.
- ☐ Attend our Homework Club on Mondays and Tuesdays from 2:45pm to 3:45pm in the Horner Library.
- ☐ Use the attached Academic Resources to help you in specific academic areas. List academic area of growth: \_\_\_\_\_ Grade: A B C
