Privacy Policy for Project Timelapse

Last updated: June 2025

1. Introduction

Welcome to **Project Timelapse** (“we”, “us”, or “our”). We respect your privacy and are committed to protecting your personal information. This Privacy Policy explains how we collect, use, and safeguard information when you use our Discord bot **Project Timelapse**.

By using our bot, you agree to the collection and use of information in accordance with this policy.

2. Information We Collect

Our bot may collect and store the following information:

- **User Identifiers:** Your Discord user ID to associate your settings and preferences.
- **User Data:** Information you provide to the bot, such as time zone settings or commands you send.
- **Usage Data:** Basic interaction data to improve bot functionality and troubleshoot issues.

We do **not** collect sensitive personal information such as payment details, real names, or contact information unless explicitly provided.

3. How We Use Your Information

We use the information collected to:

- Provide and personalize the services offered by the bot.
- Maintain and improve the bot’s functionality and user experience.
- Respond to user inquiries or support requests.

We do **not** share your personal information with third parties except where required by law or with your explicit consent.

4. Data Storage and Security

All data collected is stored securely and only accessible by authorized members of the **Project Timelapse** team.

We implement reasonable security measures to protect your data from unauthorized access, alteration, or disclosure.

5. Your Rights

You have the right to:

- Request access to the data we hold about you.
- Request correction or deletion of your data.
- Withdraw consent for data processing at any time.

To exercise these rights, please contact us using the details below.

6. Changes to This Privacy Policy

We may update this Privacy Policy occasionally to reflect changes in practices or legal requirements.

We encourage you to review this policy periodically. Continued use of the bot after changes constitutes acceptance of the updated policy.
