<b>10th</b>	126	129	130	130	130	131	131			
<b>11th</b>	149	148	148	145	142	143	141			
<b>12th</b>	152	155	152	153	152	152	151			
<b>Total</b>	592	600	599	597	592	595	593			

### Implementation of Professional Development and Curriculum Materials:

#### 2022-23 Building Goals:

##### Academic:

- By May 2023, 90% of students at Glenwood High School will earn a 2.5 or above on all outcomes during the 22-23 school year.

##### Culture:

- By May 2023, Students at Glenwood High School who identify they have an adult in the building they trust and that cares about them will increase by 8% from the beginning of the school.
- By May 2023, Students at Glenwood High School who attend school 90% of the time will increase by 7% from the 2021-22 school year.

**Action Steps Progress:**

- **Capturing Kids Hearts**

**This month, the recognition of Black History Month and the CKH Theme of Kindness will be seen in the following ways:**

- Daily Intercom Announcements featuring quotes and accomplishments from people in black communities around the world, including scientists, authors, humanitarians, etc.
  - A display of African American authors and texts in the school library
  - A Kindness Tree in which students and staff will reflect on the kindness of others around them and their positive contributions to our school culture. Acts of kindness will be written on paper hearts and posted for others to see.
  - Teachers are also encouraged to discuss with their teaching teams ways to purposefully incorporate discussions about significant contributions of African Americans and kindness in their classroom lessons and share with the administrative team their plans for supporting our positive school culture.
  - Teachers will continue to greet students at the door and share good things in their classrooms to spread positivity in our interactions and model how to lead with appreciation of others.
- **Professional Learning Communities (PLC's)**
    - PLC Team Members have been meeting weekly to discuss progress, updates, and reflections of the team's Weekly Instructional Goal (WIG). These conversations have contributed to our school community by showing our commitment to best practices in instruction, assessment, and curriculum. Teams have been able to collaborate with other PLC teams to ensure the best instructional strategies are happening in every classroom, for every student, every day.

**High School News**

---

### **Students of the Week:**

We will continue the tradition of "Students of the Week" during the 2022-23 School Year. Students will be chosen based on the positive referrals submitted by teachers/staff they have received during the week. Students who have been chosen will receive a t-shirt with the logo above on the front and RAMS acronym on the back.

**Respect**

**Achieve and Improve**

**Make an Effort**

**Serve Others**

### **Student Postcards**

Postcards have been developed for staff to send home to families highlighting ways students have show growth and/or excellence during the year. We have started each staff meeting with time for teachers to write these notes home and they are mailed later in the day. Our goal is to get at least one postcard sent home to each student throughout the year. This has been a huge success in developing a positive culture in our school.
