Re: Activities Transportation

Dear Parents/Guardians:

Transportation is provided to and from Adrian for practices and games. In Ellsworth, it will sometimes be an activities bus, route bus, or mini-bus. When returning to Ellsworth, it will sometimes be an Ellsworth vehicle and sometimes an Adrian bus. It is the responsibility of the student to stay up-to-date with the announcements to know what transportation to use and the time and location to meet the transportation.

Students with a driver's license may drive to Adrian for games/practices, but will need to have a signed release on file. For games, athletes may ride home with their parents, provided that the parent has made contact with the coach. Please fill out the form below to help us plan for transportation needs. If something changes and transportation needs to be different than what is marked below, it is the student's responsibility to notify the office in a timely manner. Thanks!

Judy Huisman, Athletic Director

Student's Name: _____

Fall Sports:

_____ My child will need school transportation.

_____ My child will not need school transportation (drives or has other transportation).

Winter Sports:

_____ My child will need school transportation.

_____ My child will not need school transportation (drives or has other transportation).
