

Isaiah 9:6 - "For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder; and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace. Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even for ever. The zeal of the Lord of hosts will perform this."

"For where your treasure is, there will your heart be also." - Luke 12:34

I found a great treasure
camping out with my
Family, my church, and my
friends at my home, church
campground, and church meetings.

But my greatest treasure that I found was
in receiving the greatest opportunity of a
life^{time} to know who God is, what His treasure
is, and the plan that He has given to me.

God has been very good^{to} me. I was born in
a blessed family and have enjoyed a life worth
dying for.

I have enjoyed being a Pentecostal and
learning from its roots and heritage.

But, one of the greatest treasures I have
acquired was to become a child of God
and to inherit His
and to be a part
of the greatest
Kingdom that has
ever been known to a man.

My Testimonies

The Holy Ghost
is God's gift to you!

Psalms 23 and Psalms 1 have been a great guide to me growing. Learning to love my parents, honour them, Follow my Pastor and His flock, and to listen and stay close to God's voice have key instruments in me enjoying life abundantly and expecting a future greater than I could contain.

IF I were to write all the things that God has done for me, I would need more than paper.

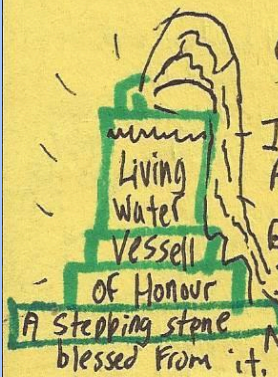

Since, I was a boy I have felt the presence of the Lord around me, inside me, and even in my imagination.

My name has biblical significance, which has encouraged me every moment of the day.

Jonathan was character who was going to be king of Israel. His best friend David became king of Israel instead, but they stuck together.

Combining the two, my mind forms a pleasing image of myself that I call me.

One story that describes what God has done for me is that of a water fountain.

Growing up, I learned that God uses small, insignificant broken things to do some of His greatest work.

I started almost innocent but yet needed a flow fixed. As I grew, it got dirty, faulty, and unclear.

But when I met Jesus, my life changed around.

I began to work in a new way, full of life, and clean.

Now, I see my life as something I can use, show others, and get blessed from it.

The heart works the same way. REPENT

Heart of a Sinner

PERISH

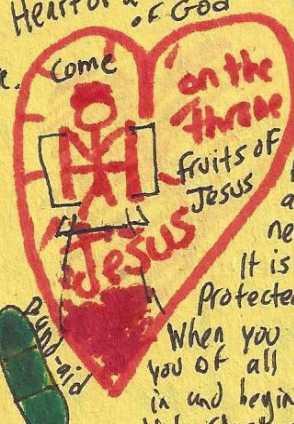

Startout with a Faded heart with clear conscience.

When a wrong is done an X seems to be put on the inside of the heart. It becomes broken. It is filled with darkness and may become prideful and arrogant. Always trying to reach the top.

Polluted with shame and guilt.

Heart of a child of God

come on the throne

God fixes the heart's broken pieces. Takes out X's de-clotters past. After bandaid is un-applied, it is a brand new heart. It is filled with Jesus. Protected, and re-estab(lished). When you ask God to forgive you of all your sins, God moves in and begins to fill you with the Holy Ghost, and change you.

Jesus took in 3 nails. He took a crown of thorns. Jesus looked at who He was dying for. He was whipped 40 times with sharp objects. He took a spear in the side. He took the rejection and wrath God has against anyone who sins against Him.

Jesus lived a perfect life. God's child took the sin on Himself. Put my old man to death. Put my sins in sea of forgetfulness.

Washed them away in Jesus atoning blood because without shedding of blood there is no remission.

Friday

Buried in the tomb. Buried my sin in burial. Roman soldiers guarded tomb. He said, He would arise the 3rd day.

4 Steps of Worship

Lay a friend is dead. He lives even now.

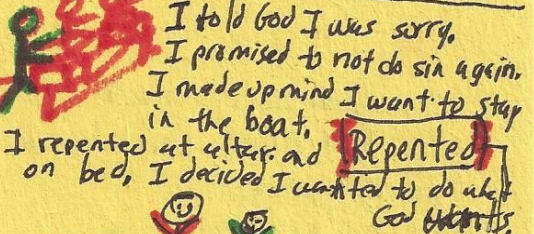

Get in Boat, Stay in Boat, Keep Head in Boat. No matter what stay prepared. Ready for Jesus. Righteous. Keep candle lit. Only stay busy. May get distracted. Sinful has paddle around for souls.

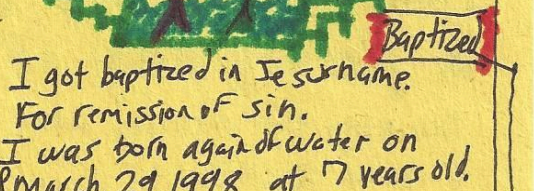

I told God I was sorry. I promised to not do sin again. I made up mind I want to stay in the boat. I repented at altar and on bed, I decided I wanted to do what God wants.

Repented

I got baptized in Jesus name. For remission of sin. I was born again of water on March, 29, 1998 at 17 years old.

Baptized

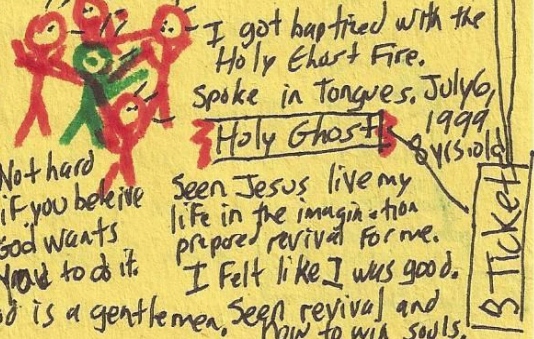

I got baptized with the Holy Ghost Fire. Spoke in Tongues. July 6, 1999. Holy Ghost. 19 years old.

Seen Jesus live my life in the imagination prepared revival for me. I felt like I was good. Now revival and how to win souls.

Not hard if you believe God wants you to do it. God is a gentlemen.

"Jesus answered, Verily, verily, I say unto thee,
Except a man be born of water and of the Spirit,
he cannot enter into the Kingdom of God"

- John 3:5

"But seek ye first the kingdom of God, and his
righteousness, and all these things shall be added
unto you." - Matthew 6:33

The Holy Bible records that Jesus prayed
to His heavenly Father, repented of debts and
transgressions and taught His disciples to pray,
repented to do the will of God, was baptized
by John the Baptist, fasted 40 days, led of
the Spirit, received the Holy Ghost, and prayed
in the Spirit.

The father of John the Baptist, Zacharias,
prophesied about Jesus and what His
son would do to prepare the way of Jesus.
(Luke 1:66-80)

To know and believe who Jesus was, is, and
is going to be is necessary, but to follow
Him, obey His commandments, and to teach
others to do so is considered the greatest
in the Kingdom.

The Apostles preached, exhorted, and testified that it was necessary to follow in the example of Jesus to be baptized in Jesus name for the remission of sins; after repenting and that it was necessary to receive the Holy Ghost - Acts 2:38

The Prophets prophesied that God would save His people, redeem them, and speak through them with stammering lips. 39

My Evangelists say if you haven't done this, to do it now, later may never come, and Jesus is coming back to get those who are prepared and is not coming again until the Tribulation is over. It is promised to you and your children.

So, Now is the time, today is the moment, Jesus is coming any moment, do not tarry long before getting it done, and when you do, you will know why. There is no hope in no other name.

Do not question God, pray about it, and enjoy giving and bring your heart to God.

If you get to the end of yourself and need a way out, just go get born again!! Your heavenly father, who is Jesus, can make a way when there is no other way. He can send His Holy presence at any time He wants. Give God your biggest fears, what you value most, and what you want. Jesus seems to work it all out for me. Jesus can make you a new creature, and accommodate and bear the burdens you may hold that only God can hold and share!!

If you have reached the end of yourself and need a way out, just go and be born again!! Your Father in Heaven, who is Jesus, can make a way when there is no other way. He can send His Holy Presence whenever He wants. Give God your greatest fears, what you value most, and what you want. Jesus seems to be arranging everything for me. Jesus can make you a new creature, and contain and carry the burden you may be holding that only God can contain and share!!

Repenting and getting Baptized in Jesus Name made me feel radically changed forever physically. I feel like a child of Jesus seeking to be used and accountable. I have a name attached to me, called Jesus, and I seem to imagine my name and self up in heaven everyday. The world seems smaller and safer since Jesus helped me. I can still relive the moments and feel the sensation of being baptized afterwards. I feel really close to my past and present leaders, missionaries, church members, my family, and God now.

I can still relive the moments and feel the feeling of baptism afterward. I feel very close to my past and present leaders, missionaries, church members, my family, and God now.

Since I got baptized, I found God in a new way that made me want to get the Holy Ghost even more and save some of my family that has not received the pentecostal truth as I have enjoyed. In my mind I knew how to help people get the Holy Ghost, but I didn't have the strength to get it myself. To a hungry and thirsty heart, getting the Holy Ghost is quickly obtained. It is a free gift, just like a child. All you have to do is say I want a baby, then you pray for a healthy one, or adopt one. Jesus is God's baby. God gave his baby son to you, which is called the Holy Ghost. He is now glorified and a grown up, but can do anything. Just ask for the Holy Ghost, and you will feel different about receiving Him or praying about it. Jesus can answer prayers that are crazy. He gave me my ring back when I lost it, it was lying on the floor one day.

Jesus even seeks for people to worship Him in Spirit and in truth. Being hungry and thirsty, but desiring to get the Holy Ghost with the imagination of Jesus being with me was like climbing up a mountain, staying focused on the goal and defocusing distractions, I felt like I was helping God climb up my throat and out of my mouth. When I got to the place I wanted to be, finally, I felt my mouth wiggle, then stammer mildly, and then my words in my mouth turned into beautiful words that only the seeker could enjoy extensively. I could not stop stammering even when it was time to go to bed. In the Pavillion, I had to try real hard to speak in English to the man waiting on me. I like the idea of speaking English with my mind and mouth and hearing different words come out of my mouth. If I went through the doors offered to me, I could have been more blessed, but at least I got the Holy Ghost for the first time. It is like a new friend that understands your life and how you think. Speaking in tongues allows God to talk to me and gives my being a chance to talk to God in a way that I am comfortable with and enjoy. God blessed me with preachers who seemed to miraculously work with me and altar workers around me that helped me be able to speak in tongues in front of them. It is a fight to get the Holy Ghost and maintain a spirit of prayer and intercession. You have to be determined in getting it right then and there when the moment arises. If not, thanking God and worshiping Him brings in a moment that makes me feel content. I remember taking the Holy Ghost with me to school. The next year, I tried to get a refilling again. Refillings make me refreshed. I cannot make it through another day without God's memory, because the Bible says I would be turned into hell. Living the whole year anxiously waiting for another camp and camp meeting experience is one of the things that got me through when everything seemed to become so stale and dusty.

Refills refresh me. I cannot survive another day without the remembrance of God, because the Bible says I will become hell. Living the whole year anxiously awaiting another camp experience and camp meeting is one of the things that has helped me get through it when everything seems so stale and dusty.

Getting the Holy Ghost made me feel radically changed forever spiritually. My mind felt sound and my heart melted in me with love for God and people to the extent of feeling like I was forgiving them even when they looked a certain way that didn't really matter to me or did not understand. I can enjoy listening to preaching, singing, and Sunday school lessons, without having to cope with feeling lost, because I know what I need almost. I felt refreshed and renewed like I never felt before. In my imagination, I saw my world being changed in front of my eyes, how I could help my church family, and how I can bring revival to the world by taking the Holy Ghost and the things I learned from these experiences everywhere I go. It seemed the United States Air Force was flying over my campground a few times. Which gives me great relief that someone is out there watching over the country.

I feel like Jesus took my life to prepare a ministry for him while I was seeing myself to be a big free man. The walls, the sky, the earth, the animals, the plants, and even every dust

and object made has been customized so I can just see past and not stumble over it now. I learned if I repent of everything that God shows to me, do what he says, I feel I can grow in the Lord and be ready for the rapture. Keeping a peaceful attitude that administers forgiveness and mercy has paid me from a lot of painful memories. Jesus can take away these painful memories of having a bad attitude and can show a person how to serve them in these situations, because I have experienced it. I can still see God changing everything in front of me as I walk. I can see that my being in my imagination is not perfect at all still, but as I try to follow my conscience and do what God says, I feel better. It is a wonderful feeling to know that you will receive a body like Jesus' body that can fly, talk to people beyond my dreams, walk through walls, and the fact of living forever with real Bible characters, Angels, and my whole church family. There are more things out there that I have not found, but I have enjoyed the presence of it.

There is no limit to praying in the Holy Ghost, like there is no limit to how much fruit you can produce with a new heart. Praying in the Holy Ghost seems to separate my mind from my problems and gives me time to think them out maybe the way God would want. I feel like Jesus coming out of the grave and seem to see the world around me shake and tremble as I do. I can feel Jesus about to come. I seem to see a place prepared for me there if I do not lose my faith in Jesus. I can express my feelings in tongues and do not have to create words that bring me down.

It has been medically proven to radically change and improve your DNA, literally a piece of DNA comes into every cell in your body's DNA, You actually become a new man. It turns on chemicals in the brain that promote positive growth in the brain and body that do not work when you do not speak in tongues. It also saves you from dying early due to Alzheimer's disease if you pray at least 12 minutes a day. In a medical brain scan, the brain shows that every nerve cell in the body is being touched with great intensity, like every nerve cell in the body is being hit all at once. The language center of the brain is turned off and the sense part of the brain is active.

It is hard to live with people that bring thoughts in my mind that need something special. I feel like laying my hands on the cars and houses of people in my mind as I walk and drive by and pray until something happens for them. Someday I want to be bold enough to do whatever is required of me by God and then some. People in the world need more Christians who are bold to turn the world upside down, complete Jesus' great commission and display His kingdom fruitfully and bountifully. It is hard to share my heart with people when I feel so distracted. I am praying to give up on what is mine and build up what belongs to God. I enjoy trying to be like the disciples of Jesus, like Apostle Paul, winning everybody I see when I come to them. He won every soldier that was bound to him. They had to keep changing them because he would win them. People came to his house just to be saved. I enjoy seeing the Lord change people right before my eyes and I know that God can do anything, change situations, settle mind accounts, and even comfort me with the presence of Camp, which was where I got the Holy Ghost. I am praying to be able to do the things I see in my imagination and hope to help others achieve dreams I see about them in staying full of the Holy Ghost, living the spirit filled life, maintaining the first love, gaining the power of godliness, creating an atmosphere similar to that of a prayer room, altar call atmosphere when I play a musical instrument, and striving to help God create an atmosphere for growth where people can find true salvation that only Jesus can give.

Prayer Requests:

"Pray to the God of Heaven, for the United States and other Countries, intercede for the Americans, for Salvation and Revival"

he will watch over your life;
the LORD will watch over your coming and going
both now and forevermore.
Psalm 121:7-8

A PRAYER AT BED TIME, (with my Family)

Now, I lay me down to sleep, I pray to the Lord my soul to keep, if I should die before I wake, I pray to the Lord my soul to take to heaven. Forgive me Jesus for everything. Thank you Jesus for everything. I love you, Jesus. Amen. "Hear O Israel, the Lord our God is one Lord", there is only one God and His Name is JESUS the Father is JESUS, the Son is JESUS, the Holy Ghost is JESUS. "But seek ye first the kingdom of God, and his righteousness, and all these things shall be added unto you. I can do all things through Christ which strengtheneth me, And we know that all things work together for good to them that love God, to them who are the called according to his purpose. But my God shall supply all your needs according to his riches in glory. Thy word have I hid in mine heart that I may not sin against thee. The LORD is my shepherd; I shall not want. He maketh me to lie down in green pastures: he leadeth me beside the still waters. He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me, thou preparest a table in the presence of mine enemies: thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the LORD for ever."

The Unmerited Favor of God

Devotion by Billy Graham

“Grace,” according to the dictionary, is the unmerited favor of God toward mankind. The word “grace” is used over 170 times in the New Testament alone. Grace is not bought. It is a free gift of almighty God to needy mankind. When I picture Jesus Christ dying on the cross, I see the free gift of God’s grace in Christ reconciling the world unto Himself. I sing with the songwriter, “Amazing grace, how sweet the sound that saved a wretch like me. I once was lost, but now am found, was blind, but now I see.” Your human mind, with its philosophy of an equal return for favors done, can hardly comprehend the full meaning of this grace of God. But when you catch, by the inspiration of God, its full meaning, you will leave the limits of human reasoning and revel in the spiritual riches of divine truth and privilege.

Yes, the grace of God is a reality. Thousands have tried, tested, and proved that it is more than a cold creed, a docile doctrine, or a tedious theory. The grace of God has been tested in the crucible of human experience, and has been found to be more than an equal for the problems and sins of humanity.
