

Monthly Hangs Overview 2025

Schedule Overview

First Tuesday of every month.

7:30-10pm: Open to public

- ~8:00pm: Gather round for some [very brief announcements from the Monthly Hang “MC”](#). An OOFD volunteer will highlight a couple upcoming events, share a fun fact about the ecology or history of our location, and ask “OG” guides to raise a hand, so everyone knows the faces of some friendly folks who welcome questions about anything Out Our Front Door!

The Schedule and Locations

**Decision to move the Hang to the back-up location will be determined in the afternoon of the Hang depending on if the weather is no good for hanging outdoors. If the weather is looking to be wet, keep an eye on social media for the audible to the indoor backup bar.*

Why Monthly Hangs?

The main idea is to hang with the OOFD community and welcome new folks that are interested in riding or volunteering with OOFD. It is a fun, chill, casual time to socialize and hangout/have a good time over beers.

OOFD volunteers should go all out to make new folks feel welcome and see why they came out and how they would like to get involved. If possible, look at upcoming events, and see which ones they might want to volunteer or come on as a participant. If they are willing, get their contact info so we can add it to our volunteer list so they can get our monthly volunteer newsletters. Encourage folks to take a stack of ride flyers to put in local bike shops or cafes.

Template language :

- Come meet some of the OOFD crew, ask questions, figure out ways to get involved.
- This month, we'll have a fix a flat workshop led by our volunteer NAME/NAME, so come on out , learn, and even practice the most essential of bike maintenance skills!
- We'll meet on top of the big hill in the park. Look for the group with a bunch of bikes. Bring your own beverages and camp chairs or picnic blankets.
- Watch social media the day of in case the weather pushes us inside. In that case, we will meet at INDOOR LOCATION HERE.
