

Dolly Parton's Imagination Library has inspired millions of children to read from an early age. Children aged 0 to 5 years who are enrolled in the program receive a high-quality age-appropriate book every month at no cost to the family. Decades of research confirm that participation in the Imagination Library is a known and important factor leading to kindergarten readiness and school success.

The Friends of the Lisbon Public Library is an active group committed to the success of our community's children. The Friends became an affiliate of Dolly Parton's Imagination Library in 2019, initially serving children living in Lisbon/ 52253 Lisbon ZIP. With the help of generous donors and area businesses, the program grew to include the community of Mount Vernon/ 52314 ZIP in the spring of 2024.

After five years of operating the program in Lisbon and Mt. Vernon over 320 children have been served and 5,000 books have been gifted! **Enroll your child/children under age 5 in this fun program and begin receiving free books each month by scanning the QR code below.**
