Crimson Cliffs Supervised Driving Log

Please use this log to track the required **40 hours of supervised driving practice (10 hrs must be night driving)**. This completed driving log must be turned in prior to completing your driving sessions with an instructor. Failure to turn it in can cause a delay in scheduling your driving sessions and driving test. Turn in the completed log <u>directly to Mr. Phillips (Room 100) BEFORE or AFTER SCHOOL ONLY!</u> To avoid misplacing, <u>DO NOT SLIDE THEM UNDER THE DOOR, PLACE THEM ON MY DESK OR GIVE THEM TO ANYONE ELSE!</u> Use multiple pages if needed but try to keep the entire Log to 1-2 pages by combining practice sessions.
